The action neither settled nor failed to settle.

Comments: Continued mediation has taken place as anticipated in the Supplemental Report submitted March 28, 2025. The non-defaulted parties have reached a settlement awaiting only formal approval by the FTC Commissioners. As soon as the Commission grants its approval, counsel will be submitting a joint motion for entry of a stipulated order that will resolve the litigation as to all three non-defaulted Defendants. Once the Court enters the stipulated order, the FTC may move for a default judgment against the defaulted Defendants.

The action failed to settle.
